

## SHERBORNE CHRISTMAS TREE RENTAL / ORDER FORM 2021

Rental of a 4ft exterior, locally grown Christmas Tree with lights installed into your own brackets.

*Please note* there must be a suitable mains power point to connect the lights to for these to be lit  
(see notes regarding suitable supply)

All trees will be installed during November and then removed and recycled in the New Year.

**Please pay in full with order. Payment is by Bacs only. Orders must be received by Saturday 23rd October or we will not be able to supply a tree as they have to be sourced in advance.**

	Cost	Quantity	Total Cost
Chamber Member	£36 each (incl. VAT)		
Non Member	£60 each (incl. VAT)

## Tree Lights Power Supply Requirement

IMPORTANT

THIS YEAR ALL TREE LIGHTS WILL NEED AN APPROVED 13amp 240volt MAINS SUPPLY ADJACENT TO THE TREE HOLDER. IF YOU DO NOT HAVE ONE PLEASE ARRANGE FOR ONE TO BE FITTED.

### **BATTERY POWERED LIGHTS ARE NOT AVAILABLE THIS YEAR**

FOR THOSE WHO POWER THEIR LIGHTS FROM AN INTERNAL POWER SOCKET, THE INSTALLATION CONTRACTOR WILL BRING THE 13amp PLUG TO THE NEAREST WINDOW OR DOOR TO THE TREE HOLDER. IT WILL BE YOUR RESPONSIBILITY TO CONNECT TO YOUR SUPPLY.

IF YOU REQUIRE A HOLE DRILLING THROUGH A WINDOW OR DOOR FRAME SO THAT A CABLE CAN BE BROUGHT TO

AN INTERNAL POWER SUPPLY, PLEASE BE ADVISED THAT THE HOLE WILL MEASURE 22MM IN DIAMETER, THE SIZE OF

A 2p COIN, TO ACCOMMODATE THE CABLE CONNECTOR. PLEASE CONFIRM THAT THIS IS ACCEPTABLE WITH YOUR LANDLORD, OR,

ASK FOR AN APPROVED EXTERNAL POWER SUPPLY TO BE FITTED BY AN APPROVED ELECTRICAL CONTRACTOR.

THE TREE INSTALLATION CONTRACTORS CANNOT CUT CABLES AND RE-WIRE INTO OLD EXTERNAL CONNECTION BOXES OR FIT REPLACEMENT PLUGS.
